|---------------|--------------|------------------|
| Schellenkranz | Triangel     | Rassel           |
| Xylophon      | Tamburin     | Holzblocktrommel |
| Kastagnetten  | Glockenspiel | Klanghölzer      |

1. Schneide die Wortkärtchen aus und klebe sie ordentlich zu den richtigen Instrumenten dazu. Bevor du klebst, lass einen Erwachsenen nachsehen, ob du richtig liegst.

2. Überlege nun, welches Instrument aus Holz und welches aus Metall besteht.

Male das Instrument braun an, wenn es aus Holz gemacht ist und nutze deinen Bleistift für Metallinstrumente.
